## JURISDICTION

3. This Accusation is brought before the Board under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

## STATUTORY PROVISIONS

4. Section 118, subdivision (b), provides, in pertinent part, that the expiration of a license shall not deprive the Board of jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated.

5. Section 490 states, in pertinent part:

"(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

"(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

"(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code."

6. Section 4300 provides, in pertinent part that every license issued by the Board is subject to discipline, including suspension or revocation.

7. Section 4301 states, in pertinent part:

"The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

1       ....

2       "(f) The commission of any act involving moral turpitude, dishonesty, fraud, deceit, or  
3 corruption, whether the act is committed in the course of relations as a licensee or otherwise, and  
4 whether the act is a felony or misdemeanor or not.

5       ....

6       "(h) The administering to oneself, of any controlled substance, or the use of any dangerous  
7 drug or of alcoholic beverages to the extent or in a manner as to be dangerous or injurious to  
8 oneself, to a person holding a license under this chapter, or to any other person or to the public, or  
9 to the extent that the use impairs the ability of the person to conduct with safety to the public the  
10 practice authorized by the license.

11       "(j) The violation of any of the statutes of this state, or any other state, or of the United  
12 States regulating controlled substances and dangerous drugs.

13       ....

14       "(l) The conviction of a crime substantially related to the qualifications, functions, and  
15 duties of a licensee under this chapter. The record of conviction of a violation of Chapter 13  
16 (commencing with Section 801) of Title 21 of the United States Code regulating controlled  
17 substances or of a violation of the statutes of this state regulating controlled substances or  
18 dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the  
19 record of conviction shall be conclusive evidence only of the fact that the conviction occurred.  
20 The board may inquire into the circumstances surrounding the commission of the crime, in order  
21 to fix the degree of discipline or, in the case of a conviction not involving controlled substances  
22 or dangerous drugs, to determine if the conviction is of an offense substantially related to the  
23 qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty or  
24 a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning  
25 of this provision. The board may take action when the time for appeal has elapsed, or the  
26 judgment of conviction has been affirmed on appeal or when an order granting probation is made  
27 suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of  
28 the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not

1 guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or  
2 indictment."
